Welcome

Welcome to Preplnsta. India's largest and most visited website for placements. You have made a great choice for learning with us. For your learning to be effective. We have made this PDF so that you understand how to use our online classes and materials the most effective way

Joining Whatsapp Groups

CTS Welcome

The purpose of the group is to verify your payments. Now, this process may take upto 1 hour on weekdays and a little more on the weekends. But, our Support Ninja's will make sure that you get your access very soon and start learning.

Join our [CTS Welcome group here](#) and share your invoice/ payment screenshot there.

While, your payment verification on the group would not take more than hour. In some cases we infact take 5 mins or less. But, If you still don't get access in 2 hours. You can drop in a message the following -

- +91-8884209544 (Whatsapp)

Other Groups

Once your payment is verified we will add you to the following groups -

- Support
- 

-
- Share and Care

Support Group

The purpose of this group is to give you all the materials access on the website and also to give you access to the online classes. Once you have received the access please leave this group.

How to get access

- Step 1 - Sign up on the website
 - You may already have signed up on the website while making the payment. But, if in case you paid via alternate methods. Make sure that you sign up on the website first.
- Step 2 - Fill the following form - <https://forms.gle/JTVX9ytNgzPqGpXGA>
- Step 3 - Once you have filled the form please also message on the group in the following format
 - Email ID - your email ID(as signed up on Preplnsta)
 - Date of Payment -

Our team members will provide you access within 2 hours. All the online Classes and Paid Materials will be provided to you at once. **Once you have gotten the access please make sure that you leave this support group.**

Step 3

- Once you click on this link you will get all the questions to practise.
- Click on start and take a pen and a paper and start solving the question.
- Once you solve the question you will get to know the explanation and also percentage values denoting how much percentage of people chose which option

The screenshot shows the Prepinsta website interface. At the top, there is a navigation bar with the Prepinsta logo and links for Home and Profile. Below the navigation bar, there are dropdown menus for 'All Companies', 'Online Classes', 'Syllabus', 'Off campus Drives', and 'Interview Experience'. The main content area is titled 'Cognizant Number, Decimal & Fraction- Quiz-3'. On the left, there is a 'Top Links' sidebar with various categories like 'Prepinsta Home', 'Placement Paper', 'Quantitative Aptitude', 'Logical Reasoning', 'Verbal Questions', and 'Automata Fix Questions'. The main quiz area displays 'Question #2' with a time limit of 1:40. The question text is: 'If in a certain code, TWENTY is written as 86398 and ELEVEN is written as 32309, how is TWELVE written in that code?'. The options are A: 60, B: 80, C: 45, and D: 30. A green 'Start' button is positioned between options B and C. On the right side, there is a video player for 'TCS NQT Syllabus 2020 and...' and social media links for Prepinsta on YouTube, Facebook, Instagram, and Twitter. At the bottom right, there is a 'Result' button and a chat icon.

The screenshot shows the Prepinsta website interface, similar to the previous one. The main content area is titled 'Cognizant Number, Decimal & Fraction- Quiz-3'. The 'Top Links' sidebar is visible on the left. The main quiz area displays 'Question #1' with a time limit of 00:00:05. The question text is: 'The difference between two numbers is 1250. When the larger number is divided by the smaller number, we get 6 as the quotient and 12 as the remainder. Determine the smaller number.' The options are A: 247, B: 125, C: 236, and D: 300. Below the options, there is a 'Skip' button and a 'Hide' button. The 'Prepinsta Explanation' section is highlighted in blue, and it contains the text: 'Once you attempt the question then Prepinsta explanation will be displayed.' The 'User Explanation' section is also visible but empty. On the right side, there is a video player for 'TCS NQT Syllabus 2020 and...' and social media links for Prepinsta on YouTube, Facebook, Instagram, and Twitter. At the bottom right, there is a 'Result' button and a chat icon.

Similarly, you may access the other Sections Dashboards too.

Step 3 (Not able to see Quiz ?)

- It may be possible that you may not have logged in
- Or you may have logged in but browser logged you out automatically
- So please login again
- Press Ctrl+Shift+r to hard refresh the page.

If you're still facing issues. Please contact our support team on whatsapp with your email ID from which you have account on Preplnsta, we will help you.

Online Classes

Online Classes instructions will be provided in the Support Group that will be provided once you join our Whatsapp Welcome Group.

If you don't have access to this page, please contact our support team.

Share and Care

Share and care group is for students to ask one another doubts and solve problems. It is also for your mentors to connect with you share videos or extra materials and share their tips and tricks with you as well.

Activity on the Group

The groups will be made to admin only can text on the day of the exam. Since your course has ended. While we suggest that you stay on the group as we will share a lot of free preparation resources on the groups for you and also **whenever any off campus drive happens we will update application links on the groups.**

All the Best..!!
