Welcome

Welcome to Preplnsta. India's largest and most visited website for placements. You have made a great choice for learning with us. For your learning to be effective. We have made this PDF so that you understand how to use our online classes and materials the most effective way

Joining Whatsapp Groups

Elitmus Welcome

The purpose of the group is to verify your payments. Now, this process may take up to 1 hour on weekdays and a little more on the weekends. But, our Support Ninja's will make sure that you get your access very soon and start learning.

Join our Infosys [Welcome group here](#) and share your invoice/ payment screenshot there.

While, your payment verification on the group would not take more than an hour. In some cases we in fact take 5 mins or less. But, If you still don't get access in 2 hours. You can drop in a message the following -

- +91-8287659510 (Whatsapp)

Other Groups

Once your payment is verified we will add you to the following groups -

- Support
- Share and Care

Support Group

The purpose of this group is to give you all the materials access on the website and also to give you access to the online classes. Once you have received the access please leave this group.

How to get access

- Step 1 - Sign up on the website
 - You may already have signed up on the website while making the payment. But, if in case you paid via alternate methods. Make sure that you sign up on the website first.

- Step 2 - Fill the following form - <https://forms.gle/JTVX9ytNgzPqGpXGA>
- Step 3 - Once you have filled the form please also message on the group in the following format
 - Email ID - your email ID(as signed up on Preplnsta)
 - Date of Payment -

Our team members will provide you access within 2 hours. All the online Classes and Paid Materials will be provided to you at once. **Once you have gotten the access please make sure that you leave this support group.**

How to Access Paid Materials

Step 1

- [Visit the following page](#)
- Scroll down to the section that says Preparation Section
- Click on the topic of your choice to practise
- For Ex- [Questions on Number System](#)

The screenshot shows the eLitmus Test Preparation Section website. The left sidebar contains a navigation menu with the following items: Preplnsta Home, Previous Papers (Aptitude Questions, Verbal Questions, Logical Reasoning, eLitmus Cost and Benefits, eLitmus Cryptarithmic), Syllabus, and Others (Facebook, Instagram, Twitter, LinkedIn, Youtube, Whatsapp Group, Telegram Group, Contact us). The main content area is titled 'eLitmus Test Preparation Section' and features a navigation bar with 'Quants', 'English', 'Logical Reasoning', and 'Cryptarithmic'. Below this, there is a section for 'eLitmus Previous Papers for Quantitative Aptitude Questions' with a list of topics: Questions on Number System, Questions on Geometry, Questions on Probability, Questions on Algebra, Questions on Permutation and Combination, Questions on Ratio and Proportions, Questions on Time and Work, Questions on HCF and LCF, Questions on Profit and Loss, Questions on Percentage, Questions on Series and Progression, Questions on Averages, Questions on Time-Speed-Distance, Questions on Surds and Indices, Questions on Logarithms, Questions on Mensuration, and Questions on Equations. A red box highlights the 'eLitmus Test Preparation Section' header and the 'Questions on Number System' link. Below the list, there are details: 1. Max Score - 100 Marks, 2. Number of Questions - 20 Questions, 3. Time for Sections - 25-35 mins, and a note: (Solve 5-8 questions for good percentile).

Step 2

- Once you click on the topic a new page will appear
- On this page there will be many links. Each link is called a quiz. You can click on any
- [Let's say you clicked on 3rd link.](#) Now it's paid but you can access it as you have been given access to the same.

- It may be possible that you may not have logged in
- Or you may have logged in but browser logged you out automatically
- So please login again

-
- Press **Ctrl+Shift+r** to hard refresh the page.

If you're still facing issues. Please contact our support team on whatsapp with your email ID from which you have account on Preplnsta, we will help you.

Online Classes

Online Classes instructions will be provided in the Support Group that will be provided once you join our Whatsapp Welcome Group.

If you don't have access to this page, please contact our support team.

Share and Care

Share and care group is for students to ask one another doubts and solve problems. It is also for your mentors to connect with you share videos or extra materials and share their tips and tricks with you as well.

Activity on the Group

The groups will be made to admin only can text on the day of the exam. Since your course has ended. While we suggest that you stay on the group as we will share a lot of free preparation resources on the groups for you and also **whenever any off campus drive happens we will update application links on the groups.**

All the Best..!!
