Welcome

Welcome to Preplnsta. India's largest and most visited website for placements. You have made a great choice for learning with us. For your learning to be effective. We have made this PDF so that you understand how to use our online classes and materials the most effective way

Joining Whatsapp Groups

IBM Welcome

The purpose of the group is to verify your payments. Now, this process may take up to 1 hour on weekdays and a little more on the weekends. But, our Support Ninja's will make sure that you get your access very soon and start learning.

Join our [IBM Welcome group here](#) and share your invoice/ payment screenshot there.

While, your payment verification on the group would not take more than an hour. In some cases we in fact take 5 mins or less. But, If you still don't get access in 2 hours. You can drop in a message the following -

- +91-8287659510 (Whatsapp)

Other Groups

Once your payment is verified we will add you to the following groups -

- Support
- Share and Care

Support Group

The purpose of this group is to give you all the materials access on the website and also to give you access to the online classes. Once you have received the access please leave this group.

How to get access

- Step 1 - Sign up on the website
 - You may already have signed up on the website while making the payment. But, if in case you paid via alternate methods. Make sure that you sign up on the website first.

Our team members will provide you access within 2 hours. All the online Classes and Paid Materials will be provided to you at once. **Once you have gotten the access please make sure that you leave this support group.**

How to Access Paid Materials

Step 1

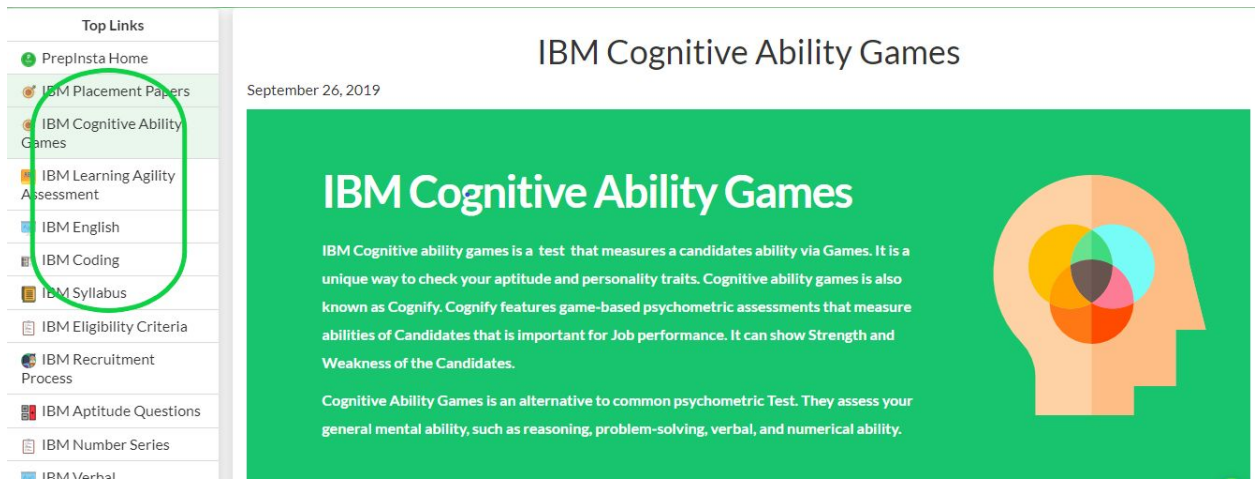

- [Visit the following page](#)
- Scroll down to the section that says Preparation Section
- Click on the topic of your choice to practise

The screenshot shows the Prepinsta website. At the top left is the Prepinsta logo. The top right navigation bar includes links for Home, Interview Experience, Discussion Forum, Notification, and Profile. Below this is a secondary navigation bar with Home, All Companies, Online Classes, Syllabus, Off campus Drives, Interview Experience, and Computer Science. On the left side, there is a 'Top Links' menu with items like Prepinsta Home, IBM Placement Papers, IBM Cognitive Ability Games, IBM Learning Agility Assessment, IBM English, IBM Coding, IBM Syllabus, IBM Eligibility Criteria, and IBM Recruitment Process. The main content area features a large banner titled 'IBM Placement Papers for Freshers' with a background illustration of mountains. Below the banner, there are three sections: 'IBM Previous Papers with Solution PDF' with a text block and a 'Difficult Level' gauge icon; 'Your IBM percentile Percentile (5%)' with a circular progress indicator; and 'Your Global IBM Ranking' with a person icon and a mail icon.

Step 2

- Once you click on the topic a new page will appear
- On this page there will be many links. Each link is called a quiz. You can click on any

- Click on the left section in the above marked image.

The image shows a screenshot of a website. On the left is a 'Top Links' sidebar with a list of links: PreInsta Home, IBM Placement Papers, IBM Cognitive Ability Games, IBM Learning Agility Assessment, IBM English, IBM Coding, IBM Syllabus, IBM Eligibility Criteria, IBM Recruitment Process, IBM Aptitude Questions, IBM Number Series, and IBM Verbal. The link 'IBM Cognitive Ability Games' is circled in green. The main content area has a green header with the title 'IBM Cognitive Ability Games' and a date 'September 26, 2019'. Below the header is a large green banner with the same title and a graphic of a human head profile filled with colorful overlapping circles. The banner contains two paragraphs of text describing the cognitive ability games.

IBM Cognitive Ability Games

September 26, 2019

IBM Cognitive Ability Games

IBM Cognitive ability games is a test that measures a candidates ability via Games. It is a unique way to check your aptitude and personality traits. Cognitive ability games is also known as Cognify. Cognify features game-based psychometric assessments that measure abilities of Candidates that is important for Job performance. It can show Strength and Weakness of the Candidates.

Cognitive Ability Games is an alternative to common psychometric Test. They assess your general mental ability, such as reasoning, problem-solving, verbal, and numerical ability.

Step 3

- Once you click on this link you will get all the questions to practise.
- Click on start and take a pen and a paper and start solving the question.
- Once you solve the question you will get to know the explanation and also percentage values denoting how much percentage of people chose which option
